Holiday Safety Tips

~Keep lit candles away from decorations and other things that can burn. Blow out lit candles when you leave the room or go to bed. Keep children and pets away from lit candles.

~Turn off all light strings and decorations before leaving home or going to bed.

~Stay in the kitchen when cooking on the stovetop.

~Water live Christmas trees daily, keep trees away from heat sources and check lights for excessive wear.

LUD of St Jean Baptiste

Christmas is fast approaching, and the RM staff have started putting up the lights and decorations around town. You may notice some empty poles, we are in the process of changing our lights to new designs that are more energy efficient, so watch for them! The Toboggan slide at the Bridge Pavilion will be back again this winter. The new lights on the deck should make evening sliding more enjoyable. The opening day will depend on snow accumulation and when the river ice is safe. Stay tuned! The LUD will again be sponsoring, in part, "The Family Fun Day on The Red Festival". We are looking for ideas on activities you would like to see, and we need Volunteers to organize and coordinate those activities. Please contact Wayne Klassen to volunteer as an organization or as an individual.

The LUD is very excited to share that we have started the Design Phase of a new Housing Development in the area behind Rue Fillion (street), the area is currently farm land. We are in the early phase of this project, but we will continue to share information in future newsletters.

The LUD committee would also like to take this opportunity to wish everyone and their families a very Merry Christmas, And a Happy and Prosperous New Year!

CAO Report

Merry Christmas & Happy Holidays! It's that time of year again when we gather with friends and loved ones to celebrate this joyous season. We are all very grateful this year to be able to gather with all our family, friends and loved ones without restrictions.

This has been an incredibly busy year for all RM staff, and we are very blessed to have such a fantastic team! We welcomed a few new members this year, including our new Public Works Manager Curtis Schultz. If you see them around, make sure to give a wave and a smile to show your appreciation for all their hard work!

2023 is coming quickly and the RM Council and staff are busy planning for next year. There is still a lot of flood recovery to be done and the flood mitigation project on St. Mary's Road will continue to move ahead. In St. Jean work will continue on the new development at the south end. Letellier Athletics Association will see the new play structure go up and so much more throughout the RM!

Make sure you follow us on Facebook & Instagram for the latest news, we don't always have time to get paper notices out in emergency situations. Also, you can sign up for our email list by visiting our website at www.rmofmontcalm.com.

In closing, on behalf of Council, myself and all the staff we wish you a Merry Christmas and Happy New Year!

Be Bright Be Seen Be Safe

Make sure you're visible in the dark. Wear bright or reflective clothing at night.

Friendly reminder to remove parked vehicles and refrain from parking on public streets and lanes during and after snowfall events which require the removal of accumulated snow. You may resume parking on streets after snow removal operations have been completed.

We also ask that residents do not deposit snow from private properties onto public roads, streets and lanes.

Bibliothèque Montcalm Library

Did you know that you could borrow puzzles from the library?

We have a large selection of 300, 500 and 1 000 plus pieces. There is something for everyone! What a great pastime during winter!

Collecting tabs off your aluminum-canned beverages? You can bring them to the library for the Tabs for Wheelchairs Program.

Our hours of operation are Monday 3:30 – 5 p.m.
Tuesday – Wednesday- Thursday 3:30 to 8 p.m.
