When: Thursday January 23, 2025 at 2:00 pm @ St. Jean Baptiste, Club Chez Nous
-

Red River Supportive Housing Inc. is a not-for-profit organization formed through the collaboration of three municipalities: The RM of Montcalm, RM of Morris and The Town of Morris. Their mission is to create supportive housing in the Red River Valley Region to address the growing need for such facilities, especially given the rapidly aging population. The Organization aims to enhance housing, social, economic, and community services in the area. Their first project is an assisted living facility in Morris, which will be connected to the existing arena and MultiPlex. This facility will provide a safe and convenient environment for residents, allowing them to easily access community events and services.

If this is of interest to you, please join us on any of the above dates. The Open House will offer updates and information about the proposed Assisted Living Facility. It's a great opportunity to learn more and ask any questions you might have.
